What about a healthy alternative ... Extra Virgin Olive Oil DIRECT FROM THE FARMER.

Years ago a track student from our local high school came to my home selling candy for a fundraiser. For years we have purchased wrapping paper, candy, cookie dough, etc. but never something we REALLY use and never anything healthy. As a mom, I decided to try and make a change. That's why I created a program for organizations utilizing our extra virgin olive oil.

Ternero Olive Oil is a family run company with olive orchards in Corning, Lincoln, CA and Estepa, Spain. We typically sell in bulk to other olive oil companies.

Each 500ml bottle will come full of oil directly from our orchard. The bottles are sealed with your custom label on the front with a nutrition label on the back promoting that a "healthy lifestyle starts at home."

Bottles are \$10 each and sold by your team for \$15-\$25 each. Ternero Olive Oil has a form that each person can have and the checks are made out to your team. Ternero Olive Oil will invoice your team so you keep the funds that you have raised.

A 5 case minimum is required and your team pays for shipping outside of Northern CA. (12 bottles in a case). Our office and pickup location is 3552 Hwy 193, Lincoln, CA.

Finally, a healthy choice!
